They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Repovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit

of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonio Bitters have no squal.

For Inflammatory and Chronic Rhenmatism and Gout, Dyspepsia or Indigestion, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION, Hendache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of

the Stomach, Bad Taste in the Month, Billions Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all im-

purities, and imparting new life and vigor to the whole system. FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Eysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of what-ever name or nature, are literally dug up and car-ried out of the system in a short time by the use of these Bitters. One bottle in such cases will con-vince the most incredulous of their curative effect. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when.

Keep the blood pure, and the health of the system

will follow.
